Our Stock Clearance Sale Is Now In Progress

It is a well-established policy of this store not to carry any goods over from season to season that may be affected by change of style. In pursuance of that policy we have made prices on all classes of Winter Merchandise that should insure quick and positive clearance.

In addition to clearance prices on Winter Goods there are many special offerings of New and Staple Merchandise—goods which we were fortunate enough to secure under the regular prices and which will be offered on the same basis.

Make it a point to visit our store this week during the stock clearance sale. Every department in the store has something of interest to offer in this sale. There are bargain opportunities in—
